

[Call for Education Session Presenters](#)

Are you a dynamic presenter known to dazzle large audiences? Can you speak eloquently and expertly on a topic that offers personal and professional growth and enrichment?

District 96 Toastmasters is inviting qualified presenters to submit an application to present an Education Session at our upcoming Annual Conference. We are looking for three to eight speakers who can present a 40 to 45-minute session on Saturday morning, April 18, 2020 at the Executive Hotel Vancouver Airport in Richmond, BC. We may also consider one 90-minute session.

Non-Toastmasters may also apply. Many speakers consider it an honour and a privilege to be invited to present at a Toastmasters Conference. After all, Toastmasters International is a world leader in Communication and Leadership development.

The Selection Committee will evaluate applications based on the following criteria:

- Applicant's qualifications and experience
- Content: Completeness, clarity, and audience appeal
- Level of audience engagement and interactive participation
- Relevance to the Conference theme "*Shoot for the moon. It's your time to shine!*"
- Take-away benefits for the audience
- Relevance to one of the identified education tracks (Communication, Leadership, or Personal Development)

Please note:

1. You are responsible for preparing and producing your own handout materials and unless otherwise agreed, meeting your own audio/visual requirements.
2. No hard selling, pitching or promoting yourself or your products or services is allowed during or after your presentation, and no financial compensation or reimbursement of

any expenses will be given. Instead, we will post the profiles of or otherwise reference the selected presenters on our Conference website, District 96's Facebook and other social media channels, at promotional events and in our printed Conference Program (received by 200+ Conference attendees). Presenters will also be featured in at least one email sent to our entire D96 membership (2500+).

3. Selected applicants are not required to purchase the full Conference Registration. If the applicant wishes to attend portions of the conference other than their education session, they are welcome to do so by purchasing the appropriate registration package.
4. Contestants at the District 96 Evaluation and International Speech contests that will take place at the Conference are ineligible to be Educational Session presenters. Thus, you should not apply if you are planning to compete in either contest.
5. Please note education sessions will be presented in the ballroom separated by partitions. Due to sound leaks no loud audio will be allowed in the education sessions.
6. If you would like to be considered for the 90-minute session, please describe how your session time would be used.

The deadline to apply is midnight **December 1, 2019**.
